TESTING CENTER CONGRATULATES CLASS OF 1981

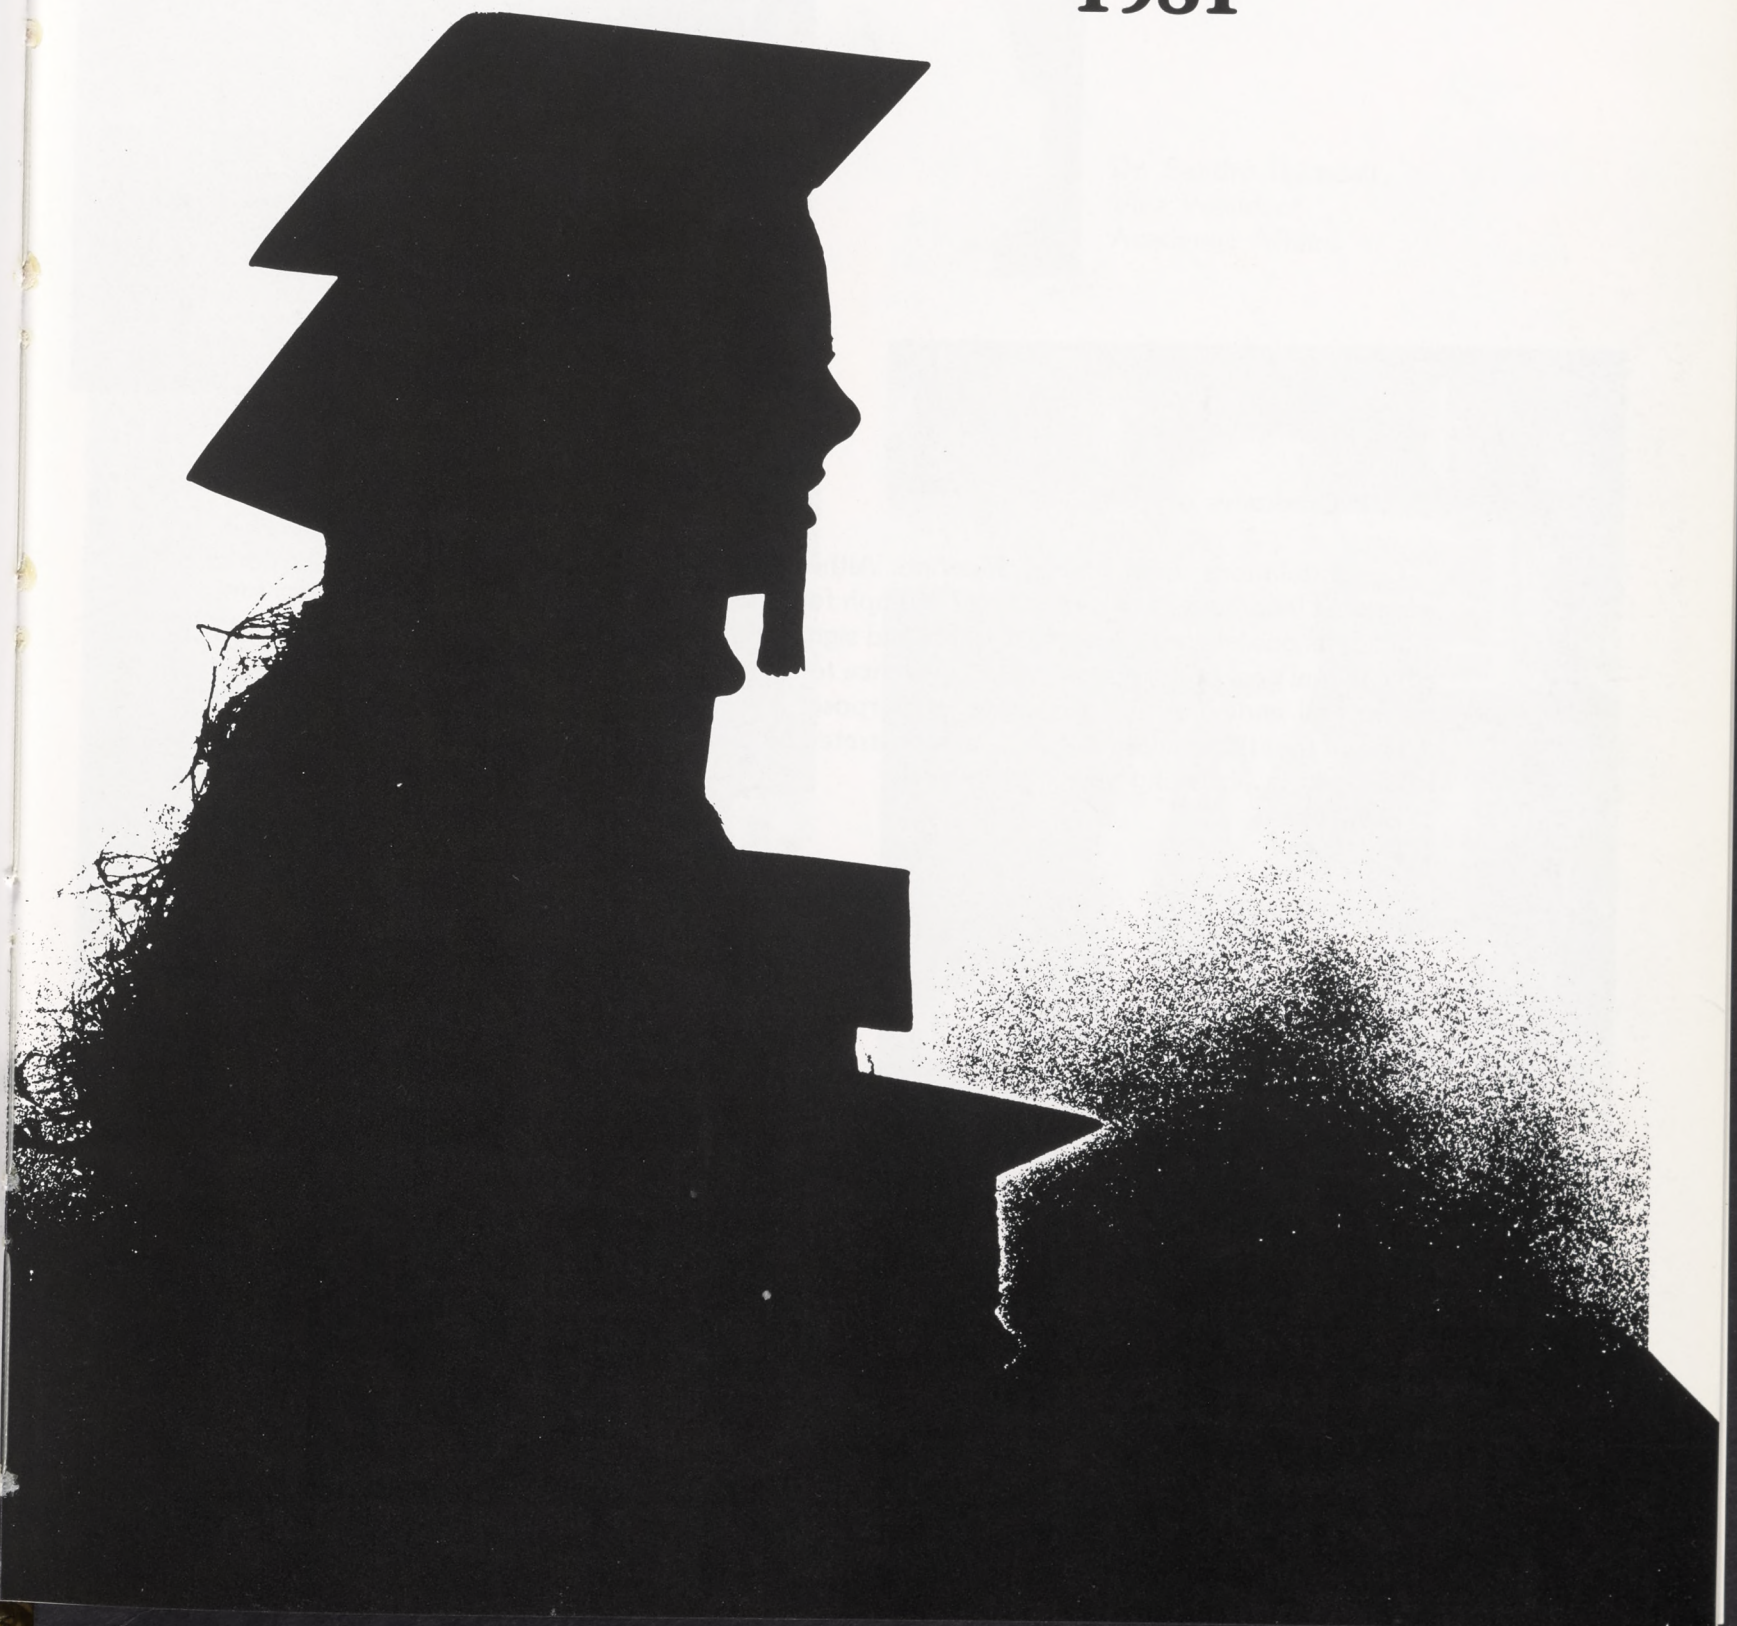

The Testing Center is here to help you. We administer National tests such as the Graduate Record Exam, National Teachers Exam, American College Test, etc. We also administer personality and vocational interest tests which assist students in choosing a career or appropriate coursework. The interest tests are interpreted by our two skilled counseling psychologists. In addition, our counselors offer personal, family and marriage counseling to students, faculty and staff. We have information about tests and testing, i.e., a limited reference library and specimen set file which is available for student use.

Special services include individual testing for those needing assistance in taking tests and classroom make-up testing, both individual and in groups, by arrangement with instructors. Our staff is available for group discussions and demonstrations on topics relating to testing.

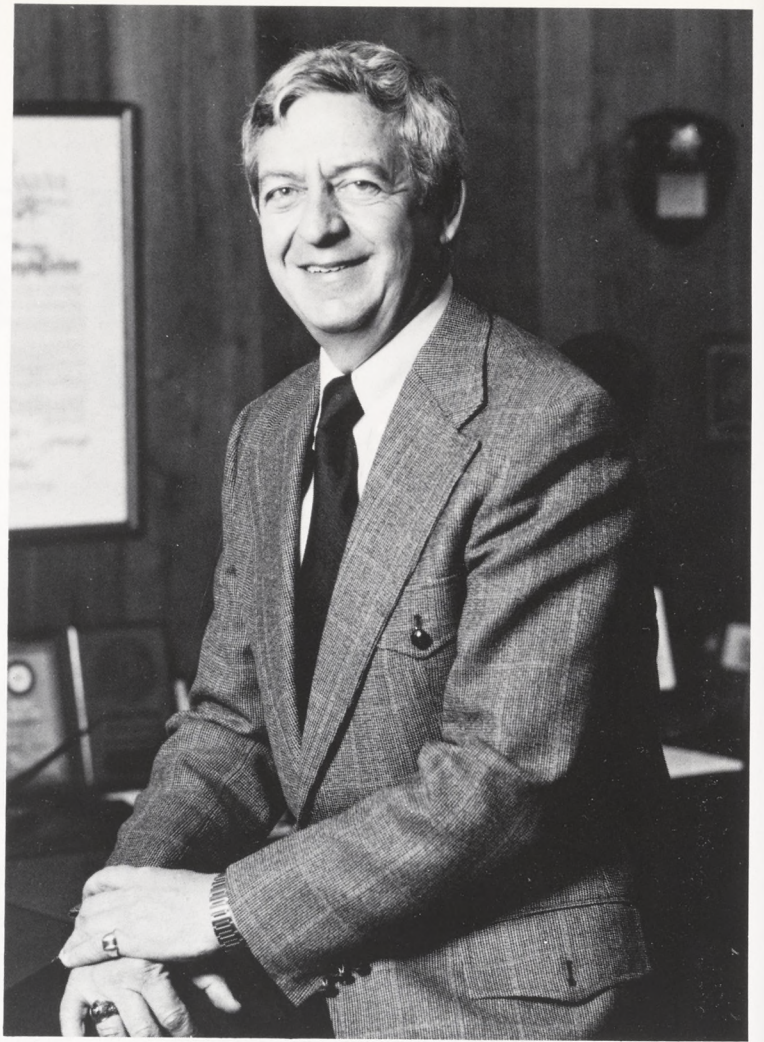

Top row l to r: David Merritt, Counseling Intern; Alma Long, Coordinator of Testing; Dinah Katague, Student Assistant; Charlene Seipel, Receptionist; Ivory Deal, Receptionist; Bottom row l to r: Bonnie Pesely, Secretary; Michael Dillon, Counseling Psychologist; Hazel Johnson, Director. Absent: Rich Morrison, Counseling Psychologist.

ADMINISTRATION CONGRATULATES CLASS OF 1981

President W. Lloyd Johns

To the Graduates of 1981:

Congratulations upon your graduation. Although the years ahead will undoubtedly hold additional landmarks and moments of triumph for you, receiving a college degree remains for most of us one of life's most pleasurable and significant highlights. By achieving this significant educational goal you have presented evidence to the world that you are capable of disciplined intellectual endeavor and constancy of purpose.

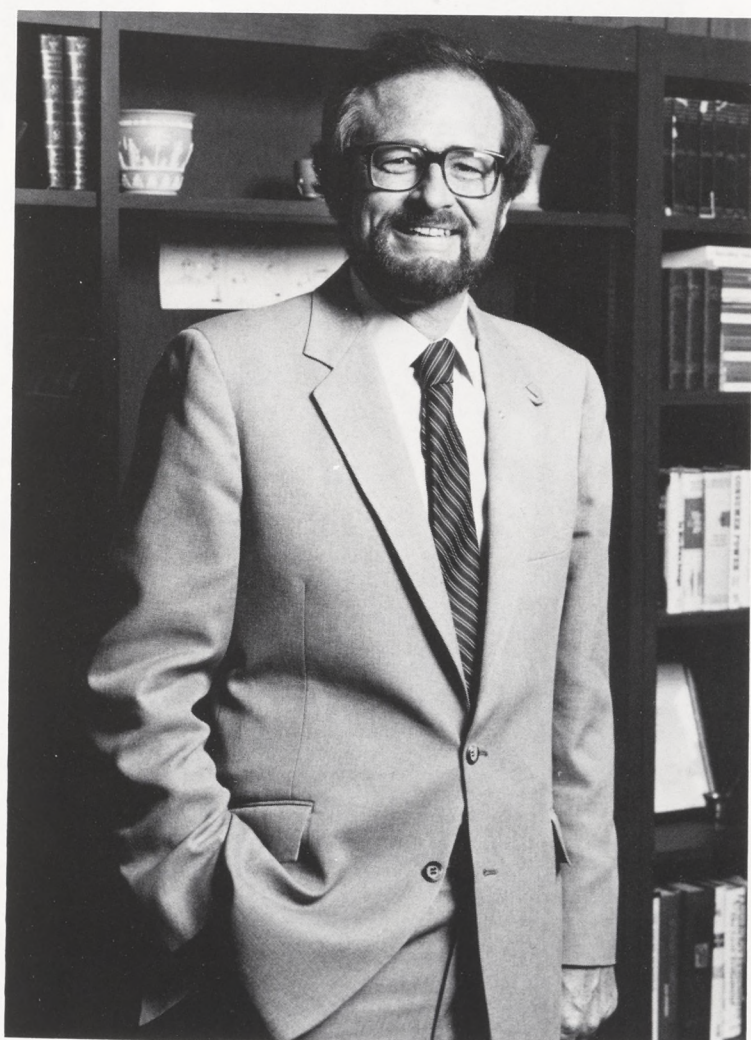

I hope that these characteristics, demonstrated by you here at your university, will continue to aid you in achieving your future goals.

Best wishes.

GRADUATION DAY - 1981 STYLE

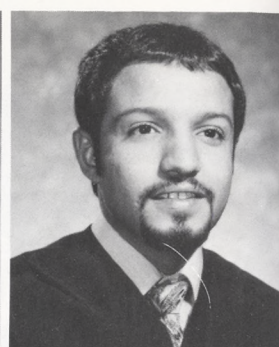

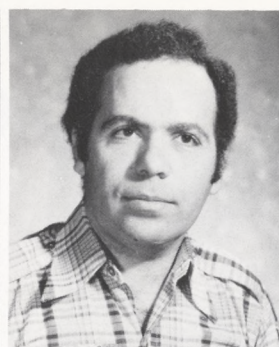

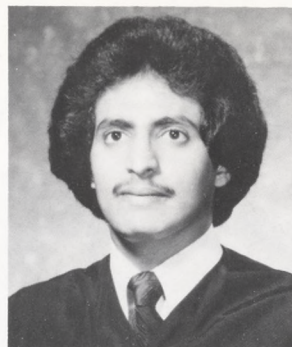

Here are some scenes from graduation '81, where approximately 2,500 of the 4,300 students eligible for graduation participated in ceremonies on a warm spring day. As in past years, Hor-net Field was filled to overflowing with the graduates, their spouses, parents, and in many cases, their children.
